Subject: Re: Beneficial Reuse Letters

As we discussed, please send a DRA notice up as a reminder that we are sending the NONs on these facilities.

Here are the IRL/NONs that Stacie's folk put together seeking information from the PA facilities that have received PCB containing material under PA's Beneficial use policy. They look fine to me but take a lot and let us know if we can proceed. The only change I've requested is the signature block change from Stacie to me.
